

Palomino Search

Palomino Search is a search tool that provides access to the library's collection and is accessible from several points on the library homepage.

The screenshot displays the Palo Alto College library homepage. At the top, the 'Palo Alto College' logo is on the left, and navigation links for 'Alamo Institutes', 'Login into ACES', 'library', and 'quicklinks' are on the right. A blue banner below the logo contains 'Library Information' (Ozuna Library and Learning Center, contact numbers), 'Aug 21-27' hours, and a 'Go to the LIBRARY' button with a red arrow pointing to the 'library' link in the top navigation. Below this is a green navigation bar with links for 'FUTURE STUDENTS', 'CURRENT STUDENTS', 'ACADEMICS', 'ADMISSIONS', 'FACULTY & STAFF', and 'NEWS & EVENTS'. The main content area features a 'Library' sidebar on the left with a red arrow pointing to the 'Library' link, and a central 'Library Tech' section with a red arrow pointing to the 'Palomino Search' heading. The 'Palomino Search' section includes icons for 'Everything', 'Books', 'Articles', and 'Video', a search bar with the text 'Find books, videos, music, and more....', and an 'Advanced Search' link. To the right is a 'Contact Information' box with location, phone numbers, and hours.

Palomino Search

Palomino Search display when accessed from the library homepage.

The screenshot shows the Palomino Search interface. At the top left is a black silhouette of a horse head. To its right is the text "Palomino Search" in a teal, italicized font. Below this is a light gray rectangular area containing four icons: a teal building icon labeled "Everything", a black book icon labeled "Books", a black document icon labeled "Articles", and a black video camera icon labeled "Video". Below these icons is a search bar with the text "Search Everything" on the left and "Advanced Search" on the right. The search bar itself contains the placeholder text "Find books, videos, music, and more...." and a blue search button with a white magnifying glass icon.

If the Palomino Search is accessed from the shortcut links labeled “*Find books, videos, and article*”, a basic search box will display. Both search boxes provide full functionality and the default setting is an Everything search.

The screenshot shows a basic search box. At the top, it says "Search Palo Alto College and beyond." Below this is a horizontal line. Underneath the line is a search input field with a green search button on the right. The search button has a white magnifying glass icon and the text "Advanced Search" below it.

Palomino Search

Palomino Search can search for :

- Everything: print books, e-books, videos, articles, and more
- Books: print books and e-books
- Articles: journal, magazine, and newspaper articles
- Videos : DVDs and e-videos
- Click on the icon to select search type.

Results list of books for global warming

- The results list includes print books and e-books. The results list includes title, author, publication, format, and additional item information. Additional editions and formats of the item can be accessed.
- Print books will have a call number, location, and availability information. The call number is used to find the materials on the bookshelves.
- E-books are accessed by clicking on the “Access Online” button. For off-campus access to e-resources, a prompt will appear for the ACES username and password.
- Filters can be used to refine searches by format, author, date range, and much more. Filters can also be used to search other Alamo College libraries and libraries worldwide.

Filters

The screenshot displays the search results interface. On the left, there are three filter sections: 'Selected Filters' with options like 'Print book', 'eBook', and 'Microform'; 'Library' with a dropdown menu and checkboxes for 'Libraries Worldwide', 'Alamo Colleges District Libraries', 'Palo Alto College', 'PAC', 'PAC Children's Library', and 'PAC Archives'; and 'Format' with a dropdown menu and checkboxes for 'All Formats', 'Book (203)', and 'Print book (108)'. The main results area shows '203 results in Palo Alto College' and 'Sorted by: Library'. The first result, 'Global warming' by Brian Black and Gary J. Weisel, is circled in red. It is a print book from 2010, held by Palo Alto College, with call number QC903 .B53 2010. The second result, 'Global warming' by Shanta Caughen, is also circled in red. It is an eBook from 2005, held by Palo Alto College. A red arrow points to the 'Access online' button for the second result, labeled 'Access Online Button'. The text 'Item Details' and 'Format' are also highlighted in red.

Palomino Search

Additional tools available:

- Cite: citation tool for various citation styles
- Link: provides a permanent link to the item record
- Email: item record can be emailed
- Save: item records can be saved in current search or if an account is created

The screenshot displays the Palomino Search interface. At the top, the Alamo Colleges District logo and name are visible, along with a search bar containing the text "global warming" and a green search button. To the right of the search bar are buttons for "Library Links" and "Sign In". Below the search bar, the text "Advanced Search" is displayed. The main header area includes "Ozuna Library at Palo Alto College" and navigation links for "Course Reserves", "Chat with a librarian", and "My Items (0)".

The search results are displayed in a list format. The first result is titled "1. Global warming" and is by Brian Black and Gary J. Weisel. It is a print book published in 2010. The description states: "This book takes one of the hot-button issues of our time and surveys it in historical context, creating a portrait of the multcentury shifts in thinking that have led to gradual acceptance..." with a "Read More" link. The book is held by Palo Alto College and is available in the PAC Bookshelves at QC903 .B53 2010. A red arrow points to the "Cite" button in the action bar below the first result.

The second result is titled "2. Global warming" and is by Shasta Gaughen. It is an eBook published in 2005. The description states: "Authors discuss the global warming phenomenon and debate its impact on the earth. Selections also cover the consequences of global warming and suggest various ways of solving the global war..." with a "Read More" link. The book is held by Palo Alto College and has an "Access online" button below it.

On the left side of the interface, there are several filter sections:

- Selected Filters:** Includes a checkbox for "Keep selections for next search:" and a button for "Book". A "Reset" link is also present.
- Library:** A dropdown menu showing "Library" with a list of checkboxes: "Libraries Worldwide", "Alamo Colleges District Libraries", "Palo Alto College" (checked), "PAC", "PAC Children's Library", and "PAC Archives".
- Content:** A dropdown menu showing "Content" with checkboxes for "Full Text" and "Peer Reviewed (6)".
- Format:** A dropdown menu showing "Format" with checkboxes for "All Formats" and "Book (209)" (checked).

At the bottom left, there is a small "2%" indicator.

Search Tips

Boolean Operators are terms that are used to specify/narrow your search terms. Specifying/narrowing your search will aid in retrieving relevant search results.

- Boolean Operators:
- “AND” , “OR” , “NOT”
 - “AND” or “OR” specify multiple words
 - “NOT” excludes words
 - operators must be in capital letters
